

## Supervisor e-Learning, Level 1

**High quality, content rich interactive training grounded in filmed supervision scenarios**

**For human services, health & other professionals with no experience, or inexperienced supervisors wanting more knowledge, “hands on tools”, practical guidance to supervise competently.**

### What you will learn

**20 CPD hrs**

- ◆ What supervision is and the mindset of a supervisor
- ◆ How to use practical reflective, solution-focused, functions & adult learning models to supervision
- ◆ Techniques for having purposeful, structured supervision meetings & conversations
- ◆ How to establish your authority as a competent & trusted supervisor & what *not to do*
- ◆ The use of practical tools & knowledge to address supervision challenges & difficult conversations
- ◆ Strategies to manage boundaries and places of tension
- ◆ Deepened self-awareness & a *state of being* approach to supervision
- ◆ Accountability, ethical and reporting requirements

◆ Custom made, resource-rich & self-paced ◆ Watch supervision scenarios ◆ Learn through video, audio, inventories, quizzes, analysis exercises, reflective journal, readings, online discussion, email feedback ◆ 24/7 skill development ◆ Fast response technical support ◆ Certificate upon receipt of learning journal

Coach

◆ ‘This has been such an excellent learning experience. Everything I needed was at my fingertips. The quality of the learning resources was first rate’ ◆ ‘I enjoyed this e-learning immensely. I can now supervise both staff & students in a much more informed way’ ◆ ‘This course has been excellent for my professional development and confidence and my own supervisor has noticed a difference.’ ◆ ‘Inspirational training, which I used straight away’ ◆ ‘I hate doing things online but this was very worthwhile. I am very surprised at how much I got out of it. Excellent and highly recommended’ ◆ ‘I loved being part of Beaumont supervision team; the videos were a fantastic way for me to participate and learn’ ◆ ‘Jane's training is of the highest quality. The e-learning mode gives access to many more professionals who will benefit from such well researched & expertly presented material; I highly recommend this!’
